About Us

One of the premier authorized dealers of Cummins Diesel Generators is Inter Power Gentech. The products are from well-known companies, like Jakson Cummins, who have all earned the trust of innumerable clients due to their high caliber of maintaining high product quality standards. For this reason, our Kirloskar Silent Generator and Cummins Diesel Generator are highly demanded in the market. Our products are highly regarded for their exceptional quality and functional. Thus, making us a reliable wholesaler and trader, too. Depending on the requirements of our clients, our vendors also provide customization in the specifications of our generators. Besides, we follow client-oriented to understand them well and work accordingly, to win their hearts.

Inter Power Gentech is led by our mentor, Mr. Feroz Khan, who is an expert in this field. He worked as an erection and commissioning engineer for OEMS of Cummins Diesel Generators after beginning his career as a service engineer at Kirloskar Oil Engines Ltd. His astute leadership has empowered us to win the confidence of our clients.
